Public comments:

C. Newcomer: Elaborated on the discussion Tyler Road and how JC Barr wanted to tie Tyler Road into Muncy Creek Blvd. so there was access to the red light. As a resident she encouraged working together for safety reasons, and to make a throughway to the light. She also asked what rate the PT employee was hired at (Rate set at the beginning of the year for all employees)? And lastly, she wanted to know if there were any workshops planned for the ARP funds and/or the budget?

R. Opp: Has the playground equipment arrived yet?

L. Smith: WBRA is scheduled for the sewer work at the park the first week of November. Should we close the park?

E. Newcomer: Has the planning commission discussed the website with the board of supervisors yet? Also, did the township receive any responses from the ad for open board seats?
