Solar Renewable Energy LLC – Doug Berry was present at the meeting to discuss conditions of the solar array with the board of supervisors. The board indicated the following was needed:

- 6’ chain link fence, vinyl on vegetative buffer side.
- Vegetative buffer = identify species, how high at maturity, time to get to maturity
- Solicitor will review decommissioning bond. Solar Renewable Energy LLC will take the lease on sending an agreement.
- Conditions from the planning commission have to be satisfied.

Public comments:

C. Newcomer: Has codes reviewed the building aspect of the solar plan? Regarding the new stormwater ordinance, are the requirements being met? Noticed there was a new house on Musser Lane/River Road. What are the paving projects for 2023?

The meeting was **adjourned** by Chairman G. Phillips at approximately 8:06 p.m.

Respectfully Submitted,

Cari Buck, Township Secretary
